The Hiring Decision

- We focus on screening
 - sometimes outsourced
(source: Cappelli, P, (2019). Your Approach to Hiring Is All Wrong. Harvard Business Review, May/June 2019 pp 48–58)
 - rarely directly incentivised
(source: Hirshman, C, (2003). Incentives for Recruiters?. HR Magazine, Nov 2003)

Literature

- Correspondence/Audit
- Incentivized Resume Rating (Kessler, 2019)
- Theory

Research Questions

1. How do recruiters weigh social media info compared to traditional CV info?
2. How do recruiters react to contradictory info in SM and CV?
3. Does revealing mental health issues on SM hinder a job applicant?
4. Does a lack of online presence hinder a job applicant?

Experimental Design

Experimental Design: Attention Screening

The second part is to read and give six job applications a score.

The third part is to answer a short questionnaire.

Please only take this HIT if you can speak **English**. In order to demonstrate to us that you can, could you **correct/reword the following email...**

Hi Emma,

We discussed about meeting next Friday, but now I have a doubt about this. Could we prepone it to tomorrow instead? So you either need to revert back to me and suggest me another time, or book the room for tomorrow. Kindly do the needful.
